1. Good morning this is Theodore Cottingham February 15, 2009 about 10:15 AM, here at house, giving you me.

2. I give you me, every day like this, giving you me I rise and speak -- the words of I am, coming forth I am to I am -- to release you in to the I AM-ship of the most high -- so that you will not be re-released into the not-ship of the most high when it comes time for you to "die" out in the wilderness.

3. And NOT KNOWING about these things, now you cannot say that you did not know, for you know now there is a PEACE in Israel that you never understood, or you never cared for to find out; it was never IMPORTANT enough to you, was it? -- or is it now, too late? Or is it THE RIGHT TIME for a TRANSFORMATION of the mind that I am into me being again my holy mind? And not righteous'd not, but by the mind of man, not; but know this: these things HAPPEN by religiousness not. These things HAPPEN by WANTING them, not. These things come by SURRENDER! And fasting surrender, not; but surrender is "fasting" all else! Isn't it?

4. Isn't this The Way that I have given you -- that ALL ELSE falls by the wayside, not off voluntarily without pain, sometimes, and suffering greatly! For the sake of the cause, not; looking up shall we and see the many things that I have given thee in these words all of you every nation tribe and tongue of you, every nation's boy and girl and man and woman and nation and tongues you know nothing about of other worlds and planetary systems, that now I bring -- you interaction with? Or will you be holy in your own eyes; or will you be ready prepared willing and able to TAKE the land that WAS GIVEN YOU -- ORIGINALLY! -- by your "forefathers" not, seeking an estate of "mankind" here on "earth" as you know it or think of it -- or was it SOMETHING ELSE THEN?

5. WHO WILL COME unto Me and BE Me and SPEAK MY WORDS like this even when drinking coffee and having tea with me, or "re-heating" your coffee and tea while you are talking it has "gotten cold"? Or what has gotten cold and what reheats now and what in flames is and what comes down and what is torn up and uprooted and torn down demolished and abolished, and "democraty-ized" not, but what will you "swear to" not, but what will you like for me to have done for you today? Looking up these many phrases – like: what would you like for me to do for you today?

6. I will do all things new with the surrendered who care for me my words and flow them untaintedly, not through religious whores covering them. See what I have said

7. See what I have become, not; see what I have become to show you that you become the equaler also with me who equals all to be me who I am I really am. That's not porous not, or do I have no pores or do I just simply "wear them" sometimes? Or who will, incarcerate me no longer and lie there laying in flesh bag suits wanting a conqueror rapturer to come enrapture their feelings so that their soulage will not be baggage'd by the claims of another?

8. Whose claims are you on, or do you know anything about territories or ley lines or nothings, not; but what NOTHINGS have I given you, not; but some things simply evading you, not; WHAT HAVE YOU EVADED AND AVOIDED AND FAILED TO LEARN?

9. I love you and I bring you into a new "phase" of learning, not; I bring you into a new demanding ville, not; I bring you unto that which withers not on the vine. So that you will not be understood, not; but you will stand and you will stand understood, or not; for it will not be upon man's understanding that you stand, it will be upon mine and my mind will have been given you because you gave it me; for you've given me the words of life when you give me these words through yours and your own pencils and pens and, negative ideas, not; but what negatives producing negatives, not; equal positive or not, but what is CHANGING the LANDSCAPE of me forever – and a day, not; what day are you in? The eighth do you know ANYTHING about?

10. And have you studied -- IN THESE WORDS? Have you cared enough to come unto me and search my Database clean? Not that you will clean "it", you will clean yours by doing so coming unto mine that this Database One has given you, "a mind of Christ" not, but yours being in your right mind The Christs of all that all is one in one being the one that one is! Subtle differences not, these are gigantic! And wherewithal what shall you do today, simply be a whore of another's words somewhere seeking a moment of glory or salve upon your wounds of your spirits or that you have encombobulated with? Or disemboweling what? What has disemboweled you? From them or it or what am I speaking of or what are you why laying on the ground are you O Zion? Do you not know your "maker" was you who formed the skies and has not held "himself" in disguise, but how what have you learned about "yourselves" and why must you whore continually with religion's words seeking dominion over you that cut you off from the Christ so that you need one later to come and rescue you, hopefully, in the Messiah's name, whatever you call him it or that which you have believed would come in the future -- to placate you then? Or to rule and reign -- improperly? Whose rule and reign are you in and who's reigning over you and ruling your masses or are you massless yet?

11. What governor tude ship are you PLAYING under? And whose "authority" do you think you have to do this or that or ANYTHING ANYWHERE? Or fly anywhere at "whose command"?, or is it simply yours that you wish to do unafraid of being restricted by time space or gravity's remarks, remakings of me upon me, not by me; or who sore'd you so boilfully or what do you know about "sore boils" or have you looked it up? Have you studied it?
12. Have you written WHAT I'VE WRITTEN about "sore boils" or "sore boiling" or boils of anything do you know anything about, and how festered and infested and festooned are you now?
13. Are you looking up festooned and are you looking up EVERY SINGLE WORD THAT YOU DON'T KNOW IN THESE WORDS so that your vocabulary expands mine, not; MINE EXPANDS YOURS into knowing the vocabulary's language of the kings of the kings that one king are and is! Will you now come forth in the LEARNINGSHIP of the most high! Please! And be not ENAMORED with the pageantry and protocols of the religious and the governments that places, non-heads on you, not; but not mine.

14. But who thinks like this? The most high -- the most high that *is surrendered* -- *surrendered* to "wear my head" not, but to *be it by growing it*, for surrender you do to learn me, to become me, for **this is MY HIGHEST HONOR** -- for you? Or me? Are you me? Or are you "you" that insists on being not me? For if you're THAT then you're not existent in the REAL WORLD that I have GIVEN YOU that The Promised Land is that exists beyond borders that you could can have *ever* imagined anywhere.

15. Knowing your powers? Or do you have the POWER of surrender? I do, for I surrendered to you my Promised Land didn't I? Didn't I Covenant -- with Abraham Isaac and Jacob? Or did I Covenant with you? Or were you them -- then? Or are you one "little discrete unit" in time and space not knowing what you are or where or how you came here to be doing what you're doing or going when you die, where?
16. Whose animalistic behavior gave you theirs? Who's cut your heart strings from mine? Who bride'd you to them? Who bridled you and bit your tongue off, not; but gave you theirs? To speak their words and be unholy in their fields?

17. Do you not understand these things? Will you not learn? Or will you insist on being religion's heroes again? Of the faiths? Or what faiths or what surrenders do you own? Or any do you have or by what authority do I do these things? Tell me who is my father and I will tell you who yours is! And if god most high is *my* father I will tell you you are god most high, because you are the son that becomes the father if you love the father enough to learn who you are and what your identity is and let it not be stolen and robbed and disgraced again.

18. Or do you have any grace to follow me, or will you mercy lie in and wallow and DEFINE things as you want and wish to so that you justify yourselves in your own want -- not wanting a thing but wanting everything "your way" so that you sing a song and swoon and belittle others and escalate some things you know nothing of that really aren't "in place" at all -- but you "place them" there in your "heart"-'s thinking device so that you will "precious memories" or moments seek of salvation that "someone" has defined for you somewhere, at a "future" point in time or "the past", or knowing ANYTHING about TIME do you -- ever? **Do you ever PLAN TO LEARN or are you LEARNING TO PLAN?**

19. What are you doing with your time? And is it elemental?, fearless?, or what are you fearing to learn about? And why will you fold your hands and cross your meals, not; but what do you know? About milking cows, not; what has placed you in their fields and is milking you, for their thoughts, not; for yours, for you give them power "on high"?
20. And what are you doing? -- under carriage-ing, not; but who has undercarriage'd" you so that you need undertakers, and grave en-clothiers so that they "clothe" you in their graves, and Gardens going to? And who's where, and whose garden do you have? Anything about "Eden's" in yours? Or do you even know -- where the Tree of Life is – kept not under "lock and key" anymore for I have given you The Keys of life and truth being them here in this **Database One** all revealed to you is! **Will you learn?** Or will you insist on learning what religion has always taught you? -- about whores and Babylon's religion? Or where was, when was, Babylon; and who is the great Whore and who is the Mystery of Christ? -- or is it kept secret or was it ***EVER*** *kept secret?* Or did it "foul played" with was it?

21. Or who can structure "sentences" like this, not; but questions? That will cause you to begin to think not like a man or woman that has in the past been so enamored with thoughts of another, will you grow your own that my mind is that I bring you to cause you compelling statements of persuasive ness, not; but that you are the Real Christ -- all of you that I am speaking to and I am speaking to all of you far and wide, beyond the moments of joy pain and suffering, beyond the moment of time space and gravity, beyond the universes of thought and the thought of universes that have created them far and wide, and what are you creating oh young old and who you think you are or may be? What do you THINK your identity is? is not mattering you, or is it? Are you MATTER of your thought that you do not know of?
22. What have you young'd or old'd, not; what is now coming upon you, not; but the wrath day of the lord, do you know anything about?

23. What are you FOOLING with and why are you FOOLING yourselves into FOOLvilles and "little camps" of sorrow that with each other's words you sorrow and encompass the devil, not; you create him it that which thing that things you with that

those thoughts that take you and whore each other to the ground and rape and pillage each other's Christship -- ***that's what you're doing*** when every day you think like you've thought before you've revealed the Christship of yourself to yourself that surrenders in love and becomes love surrendered to each other so that every *other* will always and true become the Christ of no suffering and enter the holy land most promised by me to **ALL OF YOU!**

24. Am I preaching or teaching or does it matter? Or what kind of "message" is this or do you care to matter it with your own thinking and "ballisticate it" and be ballistic about it? And what are you "blowing up" now, anything of matter? Or are you letting all MATTER die on YOUR VINE so that you EXIST in the real and true and you are not dependent on MATTER again? And whose matter are you dependent on? No one's, for the most high is "matterless" not, and bodyless, not; or what body looks like where, that mine is? Are you not carrying mine? Birth it! Birth me! What will you "bring to birth"? Or have you brought anything to birth or has someone simply *told you* that you birthed anew by saying a few words or having a moment of glory grace and peace where a blessing flowed to you so that you THOUGHT you became a "new creation" -- but could you turn "the water" into wine? The new wine of life? -- of roses and blessing, not; or beauty beyond repair, not; but beauty that has been "damaged" by thinking itself into disrepair and disuse? And dis-incarceration, not; but incarcerating each other in death those ways of thinking?

25. Shall we now be made whole? Will we learn how to grow up? Will YOU learn your graceship mercy of the most high and be it unto others redeeming *all* far and wide? Or will you insist on saying "little prayers" and insisting that something somewhere else is God and that you have found "the way"?

26. Who will turn "the water" into wine? The Christ? Who are the Christs? And who will be one? For one is not limited to one "little discreet unit" of flesh, for ONE is many-membered and have you, will you look up "many membered"? And **SEE** how many references I have made to the "many membered" one and the "mighty many"! And who are you? Will you be one -- of the Mighty Many who I have soar -d with not religion's words and testimony of unrighteousness that needs a Savior of other first; but I have brought you my words and I have given you the "sword of life" or the tongue, of the rich and famous" not, but I have brought you simple's words, who was simple enough to flow my words and believe -- just like this while having coffee and teas many times in the wee hours and desperately alone -- and forsaken not, but believing not death had power over him or his tongue, he continued to yield his "many members"? Or just one? Did he exercise the power of surrender?

27. And whose are you and do you care about being enslaved by your words, your vocabularies, your diction and grammar rules? Who rules over you with their diction and grammar -- and their protocols that they have given, to the "rich and famous" not, but the common or the normal people, who are, mankind?

28. I love you all and I speak -- spoken have, I have these things, these many things that are now some over 2400 messages that I have given you that I have brought now -- clean and purple not; or what robe are you wearing, or of the cloth are you of? Or what are you made of or do you know? Or do you need "cloth" anymore, to shield your members, not; but what are transparency'd bodies for, not; what will you are you willing to really learn about yourselves, that you are me? That you are holy? That you are the breath of the most high? That you are without frame or reference by man making you in its image again?

29. Will you flow my words to learn these things?

30. Will you flow my words to grow up?

31. Will you write my words to grow up?

32. Will you learn how to write correctly and accurately? The king's "English" not, but MY WORDS that I have given so freely!

33. Begin writing these words that I've given you that I'm speaking just NOW to bring you justly, into the "appropriately given" of religion, not; but FULLY GIVEN and PERSUADED BE; not by me or persuasive words, but you that you see in The Covenant! of life that has been given you that you see all around you, not; but what all around you is the real that you cannot see? That you will learn about in seeing me and becoming me and operating in the real transcendently and seamless with that which is real and "unreal" and revealing THE REAL now to all UNREAL shall we now? Thank you. Amen.

34. I love you all. Go in peace. Love each other more and more and more! And eat each other's children no more, but giving each other the words of life -- true and real.

35. What will you intercede for?
36. What do you know about intercession?
37. How have I defined it?

38. How have I defined leaders -- leadership?

39. How have I defined "many things" not, **how have I DEFINED EVERYTHING for YOUR WORLD to come into mine** so that mine is not yours not, but mine is yours fully given to you that you rule and reign in correctly accurately peacefully being the King of Salem righteousness Melchizedek my name am -- will you be? **Will you be qualified, not; will you be surrendered enough to learn how to be the king that I am** for I have given you the keys of righteousness -- hell and death I have overcome, and I have shown you how -- to be the most holy I am. I love you all.

40. I go now to a "better place" or do I? -- or am I SEAMLESS with ones you know nothing about?

41. Are you willing to learn now? Or will you? Or must you lie in front of TVs and television sets which demoralize and disdain the most high, the values of the most high, and rob you with their words of your Christship and your being with me where I am?
42. What do you know about time place space acrimony acrimoniousness? What words will you look up where and how and why and how will you **LINK THEM to MY SCHOOL** being in now will you please? And I take you and I make you not whores of another's! I reveal to *you* who You are, and I must say **it is not easy** for it has not been easy for me, but I give you my life, for I give you me; and I have given you love in these words and I love you to eat these words and know them personally and, "comfortably" not always, for it will "rip up" your religionistic devices that have whore'd you with definitions not mine.
43. But I will come and "whisk you away with me" not, but I will reveal to you **The Promised Land** that is denied to no one, not; it **is only entered by the surrendered who will learn to be me**, for I have said spoken thusly it is accomplished, for my words are real and true and I know my kingdom. And it sucks the dog's breath of religion no more, for I have spoken and I have not yielded to "your results" that you have wanted to accomplish in me; but I have accomplished in you, nothing not, but why what am I accomplishing now? I am revealing, laying all of my lives before you that are one, and all of my life is one, and will "your life" be one now with me that I am is -- the many membered one? **Will you rule and reign in me and have your kingdom abated no more and let your breath be holy and your words my blood**.

44. I love you all -- **create me. Create Me please. Please create me** -- for you are the creators. You are the creators of sorrow, or The Blessing -- and The Covenant now is all known, for I will be raising it far and wide with the surrendered who most holy are; who reject my holiness being it, no longer, that insist on being apart from me; but being me rise in the love that shames no one but calls "a spade a spade" and many times will "hurt you" not, but reveal to you that your soulage as baggage claims must be no longer. For you will rise in light and you will let no darkness rip your soulage, not; your soulage

is "pinned" to the cross, not, with nails driven through "your hands" into wooden frames -- be released from!

45. And **now release me to be me in you and speak my words holy and write them, and pen them with ink and pen, and flow them mightily and speak** just like this in "living rooms" where I've come and I speak through you and into "little recorders" or not, where you stand and declare and speak my words and the surrender to my voice be -- in the earths and farther! Thank you. Amen.

46. **JUST LIKE THIS** (1) -- reading many times and more, will you please? And write me -- write me please. Write my words and write about these words and write what I am saying and what you see being said -- please. And thank you.

47. Answer my questions and, number them? Verse them? Verse and "frame them" not, but **what have I asked you to frame?** And issued what where? The decrees of justice and surrender and being them it to all now will you please be the king that I am, and I rule and reign in poverty not, but I have all things perfect and lovely and I make all things new and that is my name now. What's yours? What's yours about? What are you doing with your powers, or do you have only one power, that of surrender?

48. I had only one power: to surrender in the grace and glory that was given me of my father, and he taught me, lo and behold, that I was him, and who we are now is one made whole and healed, we now take "our message" to the nations for we are not separate and our word is one, and our hour is now and our time is now, must be fulfilled and is- the day of the lord is here -- and eighth day, creation reigns, or do I? I reign perfectly in me who I am, and I love you all to be so perfectly me that I am in love, and you see not love, not; you see all love everywhere that I perfectly am revealing it to be in your Promised Land mine, our mind fully made whole, perfect, be healed in my name. I love you all. Amen.

49. This is theodore cottingham loving you all this day. It's 11:02 am. Thank you. Amen.

Footnote:

1. Search in Database One for the lessons containing the phrase: "just like this".
